

Guideline for the Discussion Program and the Post-Program Session of the 45th SSEAYP in 2018

1. Purpose

The Discussion Program intends to encourage the Participating Youths (PYs) (1) to deepen their understanding of the current situation of the various fields in each country and **motivate them to act for solving problems in the respective fields**; as well as (2-a) to promote mutual understanding; (2-b) to improve the PYs' skills in exchanging views with other participants; and, (2-c) to enhance their abilities in presenting their own ideas in public, through a free-flowing and active exchange of opinions.

Furthermore, it aims to equip the PYs with practical knowledge and skills that are necessary for them to conduct post-program activities, to encourage them to **come up with concrete ideas for possible post-program activities** and enhance their willingness to actively participate in the post-program activities by providing opportunities for PYs to utilize the results of the Discussion Program.

The Post-Program Session aims to deepen PYs' understanding on the Alumni Association (AA) of respective countries and the SSEAYP International which is the solidarity body of the AAs, and allow PYs to design possible projects **to realize their ideas for post-program activities**.

2. Theme

(1) Common Theme

The common theme for the Discussion Program and the Post-Program Session in SSEAYP 2018 shall be:

“Youth Participation in Social Activities”

The youth, as young leaders, are expected to play an important role in the revitalization and prosperity of their societies. This Discussion Program/ Post-Program Session aim to raise PYs' awareness of the importance of their participation in social activities, and to enhance PYs' willingness and encourage their active participation in the post-program activities by providing opportunity for PYs to understand the current situation in each country and to discuss activities that they can contribute in the various fields.

(2) Group Themes

The Discussion Program shall follow the common theme and under it there are eight (8) “group themes.” Each discussion group (DG) shall comprise of more or less the same number of PYs from different contingents.

Please refer to the Group Theme Focus herewith attached (*Attached Sheet 1*).

- 1) Good and Bad Aspects of Globalization
- 2) Information and Media
- 3) International Relations (ASEAN-Japan Cooperation)

- 4) Living in the Longevity Society
- 5) Quality Education
- 6) Resilient and Sustainable City Design
- 7) Soft Power and Youth Private Diplomacy
- 8) Use of Affordable, Reliable and Sustainable Energy Services

3. Structure

The Discussion Program and the Post-Program Session shall be implemented according to the implementation plan to be issued by the Discussion Program Steering Committee. Please refer to the detail of the Discussion Program Steering Committee herewith attached (*Attached Sheet 2*).

4. Proceedings

(1) Discussion Program

a Pre-Program Activities/Requirements

The Government of Japan shall send questionnaires to the PYs through their respective governments by late June to determine their preferred discussion themes. The respective governments shall be requested to return the duly accomplished questionnaires by July 13, 2018. The Government of Japan shall then prepare the final discussion group assignments based on the questionnaire and other considerations.

The Government of Japan will hold a Facilitators Meeting from July 30 to August 2, 2018 (including arrival and departure dates) to determine and finalize the objectives of each DG. Thereafter, it will provide the PYs through the respective governments with basic information (i.e. groupings, schedules, etc.) and pre-program assignments according to their respective DG. The Facilitators may also provide the PYs with additional information whenever necessary.

The PYs are expected to prepare for the Discussion Program by deepening their knowledge on their respective group themes as well as to accomplish the pre-program assignments.

b Country Program in Japan

During the country program in Japan, the institutional visits relevant to the eight group themes.

c Activities Onboard

All PYs attend the Introductory Program, in which purposes and procedures of the Discussion Program are explained, and PYs shall give presentations on particular cases of social activities in their respective countries or communities. The Introductory Program shall be organized by the Discussion Program Steering Committee. Subsequently, PYs are encouraged to actively participate in their respective group discussions (Session I to V), which shall be administered by the

Facilitators. The contents of Group Discussion I include setting goals which individual PYs would like to achieve through the Discussion Program.

After the group discussion I to V, there will be a session in which PYs will learn approaches for designing and implementing projects from Facilitators in order to equip them with practical knowledge and skills necessary for them in conducting social contribution activities after the SSEAYP. In the following session, PYs will also practice how to design concrete and feasible project(s) as hands-on experience in workshop, led by the Facilitator and Discussion Program Steering Committee members by DG.

In the Discussion Program (wrap-up), PYs will review and summarize the opinions and outcomes of discussions as well as the results of institutional visits.

In the Discussion Program (preparation for presentation and DG report making), PYs will engage in the following activities based on the outcomes of the Discussion Program (wrap-up).

- Prepare for the Presentation of Discussion Results
- Make DG report which includes the process and contents of discussion activities (Consolidated discussion report shall be submitted to the Administration through the Facilitator.)

Presentation of Discussion Results is for the PYs to present and share the outcomes of each DG, to learn and understand the different pictures of “Youth Participation in Social Activities” and to increase their awareness on the social activities in which youth would be able to engage in respective fields.

Discussion Program (self-evaluation) is for PYs to reflect and evaluate their own activities in the discussion activities. This session shall be led by the Facilitators and PY Steering Committee Members by discussion group and PYs will organize their ideas towards post-program activities based on the following guiding questions.

- How much could you achieve the goals you set?
- What have you gained from the group discussion besides the goals that you set?
- How would you like to best utilize the outcomes of the discussion activities for your post-program activities?

d Country Program in the first port of call country

During the country program in the first port of call country, visit to the institutions relevant to the eight group themes shall be scheduled to further enhance the group discussion. The PYs are expected to increase their awareness of “Youth Participation in Social Activities” under their respective group themes by experiencing actual

activities and exchange opinions with experts and practitioners in those fields.

(2) Post-Program Session

Post-Program Session I (plenary session) will be organized and facilitated by the representatives of each Alumni Association (OBSC representatives). This session shall primarily contain the introduction of SSEAYP International (SI) which is the solidarity body of respective Alumni Associations (AAs). This session intends to deepen PYs' understanding of SI, its mission, objectives and activities, and encourage them to actively participate or organize post-program activities under their respective AAs or SI. In addition, the status of implementation and the outcomes of the projects which were discussed and prepared by the previous years' PYs during the Program shall be introduced, so that PYs would have better image of the post-program activities and how they could act in their own communities.

Post-Program Session II (by contingent) will be led by the OBSC representatives. In this session, PYs will deepen their understanding of AA, activities done by both AAs and former PYs in their respective countries.

In the Post-Program Session III (by contingent), PYs will discuss activities and projects which they would like to conduct as their post-program activities in their respective countries and communities and develop the project proposals by receiving advices from the OBSC representatives.

In the Post-Program Session IV (by contingent), PYs will continue to work on project proposed in the Post-Program Session III for finalization. PYs will also prepare for the presentation at the Debriefing Session.

At the Debriefing Session, each contingent will present proposal of their project as the summary of the Post-Program Session.
